Dedicatee

CARITAS 1968 salutes an able academician and administrator, Sister Agnes Kathleen Mace. For fifteen years CGF's Academic Dean, Sister Agnes Kathleen was awarded the title Dean Emeritus by unanimous action of the Board of Trustees in 1967. She assumed the office of Academic Dean in 1952 and was named to the post of Academic Vice-President when the College established a new administrative structure after moving to its new campus in the fall of 1960. A scholar in the field of English literature, Sister Agnes Kathleen holds a B.A. degree from Gonzaga University, an M.A. degree from the University of Montana, and the Ph.D. degree from the Catholic University of America. In tribute to the academic excellence which she personifies, this edition of CARITAS is proudly dedicated to Sister Agnes Kathleen.

The local alumni of Catholic University of America gathered to honor Sr. Agnes Kathleen upon announcement of her retirement.

In Memoriam

Dr. Martin Luther King. A Couple of mules hauled this negro to his grave in the early spring of 1968. He had talked a lot about Justice and Jesus. He was a peace maker; he left no estate. Someone killed him because he tried to get more pay for the garbage collectors in Memphis. Pope Paul said Dr. King reminded him a lot of Jesus. He wrote his own epitaph long before he started living; he sang it with hope and gusto and other folks joined in too. "We shall overcome," he said.

Dr. Martin Luther King, Jr.

Bishop Condon. William J. Condon was Bishop of Eastern Montana for 28 years. He was a member of the Board of Trustees of CGF and recipient of the College's first MANUS & DEI award. His energies and zeal will be sorely missed. May God reward him and give him peace.

Bishop Condon & Msgr. Donovan

Msgr. James J. Donovan. Msgr. Donovan was President of CGF. As Churchman, educator, and administrator he served big causes with a matchless largesse of heart and spirit. May God grant him peace and may his name be remembered warmly in the hearts of students, alumni, and his friends throughout the Great Falls community.

Epilogue

If the 1968 CGF school year could be summed-up by a single word - that word would be ACTIVE.

With the advent of the Argonaut basketball, bowling, tennis, and golf teams, the College has finally stepped into the world of sports. The basketball team had a successful 14-5 season, and the bowling team walked away with the Montana State Inter-collegiate Bowling Association Championship trophy.

The social calendar was unusually crammed with often too many weekly events. Proms, club activities, picnics, and hootenannies speckled the roster throughout each semester.

The 1968 Caritas has tried to capture a few of these active moments while, in keeping with tradition, giving a fresh new approach to the common sections.

Throughout the compilation and recording of this year's history I have had the pleasure of working with certain invaluable and wonderful people. My thanks go out to Sr. Mary Eugenius - for her advice and assistance; to Sherwood McBroom and Joe Halko - for their time and talents in the field of art; to Hideo Ikeda for his invaluable assistance in photography; and, especially, to Jim Etzel - our Business Manager.

On behalf of the whole staff and myself, I hope that each person who chooses to glance through this year's Caritas will find some picture with which he can find some humor or identification.
